An act to amend Sections 23004 and 23005 of, and to add Sections 23003.1, 23794, 24200.7, and 25623 to, the Business and Professions Code, relating to powdered alcohol.

LEGISLATIVE COUNSEL'S DIGEST

SB 819, as amended, Huff. Powdered alcohol.

The Alcoholic Beverage Control Act contains various provisions regulating the application for, the issuance of, the suspension of, and the conditions imposed upon alcoholic beverage licenses by the Department of Alcoholic Beverage Control. That act imposes additional regulations on the sale of alcoholic beverages and creates penalties for violations of those regulations.

This bill would prohibit the department from issuing a license to manufacture, distribute, or sell powdered alcohol, as defined, and would require the department to revoke the license of any licensee who manufactures, distributes, or sells powdered alcohol, as provided. This bill would prohibit the possession, purchase, sale, offer for sale, distribution, manufacture, or use of powdered alcohol and would make the violation of these provisions punishable as an infraction.

This bill would impose a state-mandated local program by creating a new crime.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.
